Order thereon: ——.

From the last of the Communications, read above, it is clear that all the three applications relate to land the acquisition of which has been temporarily held in abeyance the grant on alienation of such land being placed to the orders contained in Proceedings No. 4055-55. Cir 78 dated 26th July 1956, these applications have become infructuous.

2. The last of the communications, read above is opposed contrary to all the instructions contained in Official Memorandum No. 105-47. Cir 5 dated, 16th April 1952, which has been issued for information. The Deputy Commissioner is therefore requested to enforce the strict observance of

of these instructions
by the officials concerned.
